

Childcare Center

Rainbow Castle Child Care Center

About Our Program

Rainbow Castle provides a full-time quality child care for youngsters two to six years of age. Our trustworthy staff is DCFS certified, and ensures a positive, nurturing environment where your children can feel comfortable, because we are sensitive to their needs. Our advantage over other centers is that we are connected to the Recreation and Fitness Center, which is used for many activities. We also use the gym in inclement weather and go to Dolphin Cove Family Aquatic Center (during the summer), also connected to the Recreation Center, once a week.

Rainbow Castle features:

- ❖ A warm, loving environment which encourages the growth of your child on physical, social, mental and emotional levels.
- ❖ Balanced activities, including active and quiet, individual and group, and indoor and outdoor.
- ❖ A curriculum based on sound child development principles, geared toward individual needs.
- ❖ Regular, yet flexible, routines for eating and sleeping.
- ❖ Nutritious breakfast, hot lunches and mid-afternoon snacks.
- ❖ Accessibility to Park District classes.

Kindergarten at Rainbow Castle

Rainbow Castle provides an in-house kindergarten program for children who are five years old by September 1, 2009. The program, designed to prepare children for first grade, meets for 2 1/2 hours each day.

Report cards, conferences and graduation are all part of our kindergarten program. Since class size is much smaller than that of a public school, your child receives more attention, and learning is easier in a small group setting.

Registration Requirements

- ❖ Each child must have had a medical exam, no more than 6 months prior to entry. It must include a TB test, lead assessment and varicella vaccine.
- ❖ All medical shots must be up to date.
- ❖ Children must be toilet trained in 3-4-5 year old classes.
- ❖ Copy of birth certificate

Hours 6:30 am-6 pm
