# Dundee Township Park District Waiver & Release

**IMPORTANT INFORMATION** The Dundee Township Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Dundee Township Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/programs.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or has recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

Registrants and participants of programs and special events permit the Park District to take photos and videos of themselves and their children for publication in the seasonal program brochure, website, and additional uses as the Park District deems necessary unless the registrant or participant expressly files with the Park District a written objection as to photos or videos of themselves and/or their children.

**WARNING OF RISK** Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. All hazards and dangers cannot be foreseen. Certain risks and dangers include, but are not limited to, bone/joint injury, wrist/ankle fractures, head/brain injury, back/neck injury (including paralysis), concussions and other orthopedic injuries to limbs and joints. The very nature of active programming includes risk including but not limited to improper warm-up, poor physical conditioning, fatigue and overexertion, incorrect or lack of technique, or mismatched strength and/or skill level. Risks and dangers with participants include but are not limited to horseplay, unnecessary roughness, and unsportsmanlike conduct, collisions between people or stationary objects, or recklessness on equipment. Some acts of kicking, heading and fielding the ball, blocking or being blocked, the acts of pitching, throwing, kicking, and catching a ball, the swinging of any object, being struck by errant objects, running, jumping, stretching, sliding, and diving, incorrect lifting procedures. Risks and dangers with equipment include but are not limited to, lack or failing to wear personal protective equipment, defective, inadequate equipment, equipment failure, unsafe equipment such as nets with bolts protruding from supports or exposed footings, becoming entangled in nets, or incorrect footwear in poor weather conditions. You should always stand away from and behind a player making a shot and be aware of the flight patterns of balls being hit by other players when you are around the greens and alongside the fairways. When playing a shot from a wrong fairway, ensure that the players playing that fairway are aware of your presence. During a thunderstorm, do not ride in golf carts or stay outdoors; seek shelter in buildings, vehicles, or other locations that offer safety.
