What is camp like?

Our days are filled with lots of engaging activities to keep your child happy. Each day offers encounters with animals, outdoor play, games, hikes, picnics, and more time with the animals! We have a weekly schedule of activities centered on the theme for that week. Some activities will show up more than once in the summer, but by no means is each week a repeat of others.

What should my child wear and bring?

- Weather appropriate play clothes - wear your Zoo Camp shirt as many days as possible.
- Closed-toe shoes.
(NO CROCS or FLIP FLOPS, please.)
- Refillable Water Bottle
- A NUT-FREE morning snack
- A NUT-Free Lunch-*lunches will not be refrigerated or heated*
- Sunscreen and bug repellent already applied

Please label belongings.

Please leave books, toys, trading cards, electronics, phones, and money at home. The gift shop at the Zoo is off limits during camp time.

Allergies & Medications

If your child has allergies that require medication, please call Kath at (847) 551-4310 x5006 and request a medication waiver. In respect to those with allergies, we run a nut-free camp. We ask all families to pack peanut and tree nut free lunches and snacks.

Absent Campers

Please email Kath at kellinghausen@dtpd.org if your child will be absent for any reason. There are no refunds for missed days of camp. If you need to cancel a week of camp and you would like a refund, please email complete a refund/transfer request to Kath by Monday the week before your camp is scheduled to start.

Camp Expectations & Behavior

Camp leaders are committed to providing an environment that is safe, non-competitive, fun, and nurturing. All participants are expected to be kind and show respect for each other and the animals. Disruptive and dangerous behaviors are not tolerated.

Our leaders use positive behavior management strategies. If a camper does not respond to these strategies, they will be removed from the group and reminded of the expectations. If the negative or unsafe behaviors persist, we will communicate with parent or guardian and the child may be removed from the program.

Comings and Goings

• Randall Oaks Zoo 1180 N. Randall Rd. • West Dundee

Camp starts at 9:00 am. Campers are picked up at 3:00 pm at the location that you dropped them off at.

Ages 5-6 meet at the Treehouse, the red building to the right of the Zoo. Please plan on walking your child both to and from the Treehouse every day, where you will sign your child in and out.

Ages 7-12 meet at the Community Shelter, at the back of Randall Oaks Park. Follow the park road all the way around the Zoo and watch for signs to the Community Shelter. A Zoo Camp Counselor will be waiting for you in the parking lot with your sign in and out sheet.

If you are dropping off campers at the Treehouse AND the Community Shelter, go to the Treehouse first and then proceed to the Community Shelter.

Please drop-off, and pick-up your child on time. Late arrivals and early departures interrupt the flow of camp and may cause the entire group to miss an activity. Please email Kath at kellinghausen@dtpd.org with irregular drop-off and pick-up times.
