Dundee Township Park District Waiver & Release

IMPORTANT INFORMATION The Dundee Township Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Dundee Township Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/programs.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or has recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

Registrants and participants of programs and special events permit the Park District to take photos and videos of themselves and their children for publication in the seasonal program brochure, website, and additional uses as the Park District deems necessary unless the registrant or participant expressly files with the Park District a written objection as to photos or videos of themselves and/or their children.

WARNING OF RISK Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. All hazards and dangers cannot be foreseen. Certain risks and dangers include, but are not limited to, bone/joint injury, wrist/ankle fractures, head/brain injury, back/neck injury (including paralysis), concussions and other orthopedic injuries to limbs and joints.
