Site Coordinator: The Site Coordinator is on site and responsible for the daily camp organization. The Site Coordinator is responsible for the supervision of all counselors and campers.

Counselors: Each counselor has completed our camp training program and is ready to help make your child's summer a memorable and fun experience. We have adults, teachers, college students and high school students working with us this summer. Your first camp newsletter will have more specifics on each of them.

Each site will have CPR certified staff; everyone has passed a criminal background check and has planned a fun-filled summer for the campers!

Registration

Registration is per week, June 6 - August 5. Please note: Fees increase \$25 the Tuesday prior to camp week start date (*increase is only to the Camp fee, not to the Camp Care fee*). Save money and register early! Payment plans are available. **The registration deadline for each session will be the Thursday before the camp start date by 12:00 pm.**

Refunds/Transfers

Refund or transfer requests must be submitted by 5:00 pm the Wednesday before camp begins. A processing fee will be withheld for each refund request.

Breakdown of Groups

Each counselor will be responsible for up to 10 campers. Camps will split into their respective groups, Junior Varsity and Varsity, during sports specific training/games. Children will play within their age group. Both levels will be together during swim days and field trips. These groups will change periodically during the summer, allowing campers to work with many of the counselors. Within each group, campers will be paired with a buddy. It is important that campers utilize the buddy system.

Weekly Newsletters

A camp newsletter will be emailed the Friday before the week your camper is scheduled to attend. This newsletter will highlight activities and provide detailed information about the upcoming week. Please read it carefully. Occasionally there will be special activity waivers or special supply requests.

Drop-off & Pick-up Procedures

All campers will need to be signed in and signed out each day by the adult bringing them and picking them up. Authorized pick up person(s) must be listed on the camp registration form at time of enrollment.

Swimming Days

Swim dates are tentative with pool schedules and weather conditions. We will utilize the buddy system for campers, and counselors will supervise using a rotation system. Any swimmer wanting to go into a deep area of a pool will first have to pass a swim test to be allowed to do so. On Dundee Township Park District swim days, the bus will leave at 12:15 pm and return to camp at approximately 2:45 pm.

Personal Belongings

Counselors are not responsible for money or personal property brought by the campers. Campers are allowed to play with personal belongings at Before and After Camp Care, but not during Sports Camp. Each camper is personally responsible for what they bring to camp.

Communication

ALL contact information (name, address, phone, emergency contacts, approved pick-up people, etc.) must be kept current with our Registration Desk. Not doing so could jeopardize the safety of your camper in the case of an emergency when we need to contact you.

Medicine

We recognize that campers will, on occasion, require the consumption of prescription and/or non-prescription medications. The Park District has a policy regarding disbursement of medication. The Medication Form can be picked up at either the Rakow Center or Randall Oaks Recreation Center prior to camp and must be filled out completely for all medication.

Field Trips

Camp T-shirts are provided to ensure camper safety on field trips. T-shirts are handed out during your camper's first week attending camp. Campers are required to wear this camp T-shirt on field trip days. T-shirts must be in good condition with sleeves intact and should not be covered by outer clothing. A \$10 fee will be charged for replacement shirts.

Money is not needed for any of the field trips. If you choose to send money with your camper, we ask that you send a maximum of \$5. Your camper is responsible for any money sent.

Campers should arrive by 9:15 am each camp day in order to participate in all scheduled activities.
