Dundee Township is proud to announce the adoption of ePACT Network, a health and safety software, to better support all our members and make it easier to submit critical data securely!

ePACT
Critical Information. Anytime. Anywhere.

ePACT is a secure digital solution that allows you to quickly share the health and emergency information we need, and provides us with powerful communication tools to ensure we have a way to message you in the event of an illness, injury, or larger scale emergency.

WHY EPACT?

To save you time - With ePACT, you only need to complete your child's information once, and then verify that it is still correct for additional programs or subsequent years (which can be done in just two minutes)! And if you need to update something quickly, just log in and update it and we'll be notified immediately.

As well, if you have more than one child registered, you only need to enter shared family information once!

For better security & privacy - ePACT's high encryption levels and commitment to security means your data on ePACT is safer than on paper- where it can be misplaced or accessible to people who shouldn't have access to it. ePACT allows us to limit and track access.

Quick Support – if you need help with your account, ePACT is there for you by email at **help@epactnework.com** or call **1-855-773-7228 ext. 1**

ALL PARTICIPANTS MUST COMPLETE THEIR EPACT REGISTRATION PRIOR TO THE FIRST DAY OF THE PROGGRAM
